Hi Reinaldo,

I sincerely apologize that we seem to have sent you the wrong size.

Since StockX is a live marketplace and not a retail store, we do not have inventory to do an Exchange.

Attached is a return label for Order# 33947273 to send back your item at your earliest convenience so our team can verify the issue.

Be sure to include the receipt with the rest of the original contents of your package. Once your item is received, our Quality Assurance team will review the item before issuing a refund. This is just to ensure that the item was returned to us in the same condition that you received it in.

If approved, your refund will be issued.

Please keep in mind once the refund is issued, the funds typically take 3-5 business days to be processed back onto your original payment method.

Kindly,

Sherice
